

Nobiqo & Co.

Find the organisation responsible for the purchase you are targeting.

Decision brief · 2026-09-20

A property-to-organisation map, authority evidence and a route-specific approach plan.

PUBLIC SAMPLE: limited public-source evidence

See the evidence, its limits and the next action.

What completion looks like

An evidence-backed route to the correct purchasing function, with unverified authority flagged.

Evidence still required

Property identity, service being sold and direct confirmation of purchasing responsibility.

Verify purchasing role: 3

First records to review

All actions are in the workbook, CSV and offline workspace. The order is an operational review queue, not a profitability or win-probability forecast.

NoMad Hilton Singapore / UOL Group

Verify purchasing role

developer: UOL identifies its redevelopment of the former Faber House site.

Use the published corporate route to establish which function controls the specified purchase.

Route type: general_enquiry_not_procurement. Retain the published relationship role.

Confirm the contracting legal entity and its present purchasing remit; source is not proof of buying authority.
